# 2015 MAIS State Volleyball Championships

## Hosted by Belhaven University

First of all, we would like to welcome you onto our campus for this prestigious event. We are happy to be able to have you be a part of our community for the day. There are a couple of ground rules for Wednesday. Just a reminder, we will still be having a normal day of classes on campus. **IMPORTANT!!!** Please forward this along to your players and parents, as they will be strictly enforced on Wednesday here on campus.

### Parking:

We are growing here at Belhaven and are building new buildings and parking areas to house our students. Parking is a premium on campus while construction is going on. We will have a parking lot reserved for all participants in our brand new parking lot behind Bitsy-Irby on our campus through our gated entrance off of Peachtree and Euclid. When you come into the campus drive around the building on your left and it will be the first parking lot off to the left. Please do not park in any areas that have color-coded markings as those will be reserved for faculty and residents. We will work to get everyone a spot. Buses will need to enter at our second entrance off of Peachtree and Arlington. This is our main entrance. Someone on the bus will need to inform our security office that they are about there at 601-968-5900 (give about 5 minutes before arrival) and they will take you through the construction entrance to drop off your team. Buses will then need to be parked on Riverside Drive by our football field. A security officer will escort you back to the gym by golf cart or car. *Note: I have included the link to a **virtual tour** of the Belhaven campus so you will know and understand these locations.*

### Entrance, Seating and Tables:

We will only have one entrance by our flagpole into Heidelberg Gymnasium through the glass doors into Rugg Arena. We will attempt to make seating available for each person who comes into the gym. We have a wonderful gym that gives every spectator and fan a feeling of being a part of the action. We will not allow anyone to come in with any seating from home. You may bring seatback chairs, but no lawn chairs will be permitted in the gym. We will be having a normal class day on campus; therefore we will have students coming in and around the gym. We will not be able to allow any "team tables" to be set up at the gym or outside of the gym. Also, no coolers will be allowed inside of the gym or around the gym during the day. We will need to keep space open for other spectators and students of the university. We will have a fully stocked concession stand and there are many nice restaurants in the local area. We will also have a merchandise stand for volleyball and tournament clothing and accessories.

We are putting together a wonderful tournament and hope you will have a lot of fun. If you have any questions whatsoever, please don't hesitate to call me at 601-968-8891 or email at [jdee@belhaven.edu](mailto:jdee@belhaven.edu). Safe travels, good luck, and God bless!

In and through Him,  
Coach Justin Dee
